

BROWNSEA II LEADERSHIP TRAINING PROGRAM

What is Brownsea? It is a unique and exciting, hands on approach designed to teach youth leadership skills through the actual practice and use of Scout skills.

Skills most closely concentrated on are camping, hiking, nature study, pioneering, and cooking. This course closely parallels the first Scout camp conducted by Lord Baden Powell in 1907. This program places special emphasis on Scout skills, teaching, and practice: the purposes of Scouting: and the role of the patrol method within the troop program.

It is not done by classroom lecture, but rather by programs of skill, leadership exercise, and patrol competition. Scouts who complete the program will have a better awareness of their own strengths and weaknesses for their personal leadership styles.

COURSE: Sunday June 27, 2010, (12:00 Noon) through Saturday July 3, 2010, at Wah-Tut-Ca Scout Reservation, Northwood, New Hampshire.

LEADERSHIP STAFF: A specially selected staff of junior leaders who have completed the course themselves and Scouters trained in the program will guide and direct the program. Mr. Kenneth Reardon Jr., Brownsea Staff Member for over 20 years, will serve once again as Brownsea Scoutmaster.

TROOP: The Brownsea Scouts will sleep in tents, prepare their own meals by the patrol method and will be expected to live and act as First Class Scouts. The Brownsea Troop is set at 32 scouts.

REQUIREMENTS: All Scouts need to be First Class or above and have attended a one week summer camp experience. Ages should be between 14-16 years old. We are looking for those Scouts that will be the future leaders of your home troops.

PRE-TRAINING: Once accepted, the Scout and a Troop leader/parent will be required to attend a Brownsea Troop meeting in June 2010. Specific questions will be answered at this meeting and a skill assessment of Scout needs will be given.

COST: The cost is \$245.00 per Scout. Since this training experience greatly benefits the home unit it is suggested that the troop pay all or a part of the fee.

APPLICATIONS: Applications may be picked up at the council office, downloaded off of the council website, or sent via email by Kenneth Reardon Jr. Once completed, return application to the council office with a deposit as soon as possible. The Scout, Scoutmaster, and parent should fill out the appropriate sections prior to submission. The limit of learners per home troop is set at two Scouts. If the home troop wishes to submit additional learners to be placed on a waiting list, they may do so in the event that additional spots in the program become available.

DEADLINE: Applications with a deposit of \$100.00 is due by May 1, 2010.
Balance of fee due by June 5, 2010.

QUESTIONS: Contact Scoutmaster, Mr. Kenneth Reardon Jr. via email at fyrman26@yahoo.com
