**WARNING:** All forms of skiing, snowboarding, recreational activities and the use of aerial and surface lifts are hazardous. Falls and injuries are a common occurrence. Recreational users of the ski area must use deliberate and conscious control and proper equipment, both on the ground and in the air, in relation to ever changing variables and dangers. Safety is directly affected by personal judgment in the severe elements of mountain forest terrain. Ski and/or ride within one's own ability. Be alert to continually changing weather, visibility and surface conditions, dirt, grass, bare spots, forest growth, trees, rocks, stumps, and other natural objects and collisions with or falls resulting from such natural objects; variations in steepness or terrain, whether natural or as a result of slope design; snowmaking or grooming operations, including but not limited to ski jumps, roads, and catwalks or other man-made or natural terrain modifications and features including terrain parks, elements and half-pipes; the presence of and collisions with other skiers and riders and the failure of others to ski and ride safely, in control or within their own ability.

I, the undersigned, hereby express my desire and approval for my child(ren)'s participation in the Snowsports Lesson. I acknowledge that such participation will include, without limitation, participation in various types of snowsports instruction and activities and the use of Mt. Cranmore Ski Resort, Inc.'s equipment, as well as the slopes, trails, terrain parks, terrain features, elements, jumps and half-pipes and related facilities, including surface and aerial lifts. I further acknowledge that participation in the lesson is voluntary and entirely at my risk and/or that of my child(ren). It is recommended that participants in the Snowsports Lesson wear a helmet, either a rental helmet, or their own. I understand that a rental helmet is available for my child(ren). I acknowledge that no helmet can protect the wearer against all possible or foreseeable impacts and injuries to the head. Reasonably foreseeable impacts may exceed the capabilities of the helmet to protect against injury. The helmet is designed to offer add protection to the head and cannot guard against neck, spine, or other bodily injuries that may result from a ski or snowboard accident. Therefore, I acknowledge that the use of a helmet does not and cannot guarantee my safety or the safety of my child(ren) and may not prevent or reduce some types of serious injuries or death.

Further, in the case of serious illness or injury, if I cannot be reached, I give permission for treatment, including medical and/or surgical care necessary for the well-being of my child(ren), at my expense. I agree that upon transporting the child(ren), to any medical facility, clinic or hospital, that the responsibility of the Releasees shall be totally fulfilled and the Releasees shall have no further responsibility. I understand that Releasees will, to the best of their ability; attempt to notify me as soon as possible in the event of an emergency.

I hereby grant exclusive permission to Releasees to use my child(ren)'s image(s) for the purpose of publicity, public relations, editorial, or other advertising purposes without restriction as to frequency or duration.
